For many years he planned to fight, His slogan, Greed and Gain
The world is wrong and I am right imprinted on his Brain
U. S. A. has found the way, Yankee Doodle we will play
Cho. { You bet your life, we'll make the Kaiser wiser

Dear Old France and Johnny Bull with Belgium in the Lead
Checked the beast when he was full of military speed
When he was sure he'd won the day your Uncle Sam got in the fray
Cho. { To help to make the German Kaiser wiser

He realized we had his Goat in any fair play fight
Then under cover the old U-boat came stealing in the night
But, Yankee brains still shrewd and keen will put a crimp in Submarine
Cho. { We're on the job to make the Kaiser wiser.

Then came Zeppelin floating high, the German's pride and joy
Dropping bombs and playing spy, this weakling, wind-bag toy
French and English birds were made, that knocked the wind-bag in the shade
Cho. { United States will fly till Kaiser's wiser.

Now let every Chick and Child with courage in his soul
Help to cage this beast so wild and drive him in his hole
Old Glory is the winning card for us to play in his back yard
Cho. { We're in to win and make the Kaiser wiser.
